THANK YOU FOR YOUR CONTINUED SUPPORT!

We know the past few weeks have been a difficult time (regarding the circumstance of the air vent collapse) and we'd like to thank you for your continued patience and support over this time.

Finding an alternative venue to allow for the UDO British Street Dance Championships to run ahead has ensured that:

- Dance studios and dancers have not lost out on large sums of money through cancelled flights and transport.
- Professional dancers and the professional dance industry as a whole is supported
- Most importantly, that we have not let you down. We know the countless hard work and dedication you put into both competing & supporting those who compete and we wanted to ensure that your talent and commitment is nurtured and supported.

We can assure you that all circumstances were considered when booking the alternative venue at Brean Leisure Park - first and foremost being your safety.
