## IMPORTANT NOTE FOR TEACHERS

## The Data Protection Law Has Changed

Therefore, as a teacher you are **NO** longer able to create Member accounts for your school's dancers or associate teachers on the UDO website.

Nor are you able to use your own email or postal address as generic contact details for every person associated with your school.

Each person in your school needs to have their own personal contact details including a unique email address.

### ALL Dancers UNDER 16

Every child under 16 in your dance school needs their parent or guardian to provide a unique email address, address and telephone number for their child's account.

We then need to verify the parent or guardian's email address to obtain their agreement to UDO's Terms & Conditions, and to opt-in or opt-out to receiving additional communications from the UDO Group.

Please provide us with a list of your dancers and the following information, or **contact us** so we can help you through this process:

- **Child's Name (Member ID if known)**
  - **Child's Date of Birth**
- **Parent or Guardian's own email address**

### People 16 & OVER

Every person aged 16 and over in your dance school needs to provide their own personal contact details, including unique email address, postal address, and telephone number against their Member ID.

This includes associated teachers.

They need to access their UDO account using their unique Member ID and amend their own personal contact details. They also need to agree to UDO's Terms & Conditions, and opt-in or opt-out to receiving additional communications from the UDO Group.

Any questions please **contact us**.

We want to help make this all as straight-forward as possible for you, so you can get on with the important thing – dancing and teaching!

# PARENT DASHBOARD

Your personalised **PARENT** dashboard allows you to link your account to your child's, edit their profile details, and view their dancer registrations

- 1 If your child already has a UDO account, you can link your account to your theirs.  
**But please contact us to do this – do not create a new Linked Account as this will create a duplicate child account (see point 2)**

Your recent event ticket purchases will be displayed here

We'd love to send you additional information such as newsletters, offers, promotions and more, which we hope will make your UDO membership a more exciting experience. But by law, we need your consent to send you this information – you can change your opt-in or opt-out preferences here
