GENERAL RULES

UDO DANCERS

Age verification will be available at our **UDO Major Championships**. You will only need to complete this if you are under the age of 18 and will only need to do this once. You can do this on **registration** where UDO Staff will require original document proof of identity (e.g *Passport, Driving Licence*). This must be completed during your first 6 months as a member.

Dancers may compete in **multiple categories** (e.g perform a Solo, Duo, Trioquad, Team, and SuperCrew entry) but **may not compete twice** in the **same category** (e.g perform two solos/compete in two different teams at one event). ***Dancers must wear dancer wristbands on the floor.***

All dancers will qualify and dance in the **same category** they have entered in for the **whole UDO year** (1st September until 31st August). This includes the British Dance Festival, Worlds & Europeans regardless of placings or wins. Once they have placed, they will move up a category when the next UDO year begins. However, the Judges at a Regional event have the right to review and change a competitors category should it be deemed necessary.

Dancers must be near the holding area and ready to dance at least **20 minutes before** stepping onto the floor.

UDO reserves the right to **combine categories** (e.g Beginner/Novice, Intermediate/Advanced).

At least **50% of the qualified Team/SuperCrew** must remain the same throughout the competition season.

Just because a dancer has qualified to compete with their team or SuperCrew for the British Dance Festival, World or European Championships, this does not qualify them to enter the Solo or Duo categories. *(This does not apply to those countries that have entered via video submission due to there not being a regional in your country)*

You will only be permitted to dance at the British Dance Festival, Worlds or Europeans if you have qualified. **You can view your qualification status on your UDO Membership Account.** Please ensure you have registered for the relevant event no later than 2 weeks before the Competition.

Parent Teams are available at selected events, and are judged on the same criteria as **Beginner Teams**. However, 'Street Dance Technique' **is replaced with 'Entertainment Value'**.

CODE OF CONDUCT

- Dancers are **not permitted** to touch the Judges, Staff or other members of the public during performance.
- Props are permitted, providing they comply with **Health & Safety regulations**. Props must be cleared easily from the dance floor immediately (i.e. No fire, chalk, talc, glitter etc may be thrown onto the stage).
The stage must be left in the condition on which it was entered.
- Solo/Duo/Trioquad Dancers **must remain in their permitted floor space whilst dancing**. For all heats, a dancer is not permitted to take more than 2 steps forward, backwards or to either side of their marked place on the floor. (NB. This does not apply to Advanced finals, where a solo spot will be performed).
- **Outfits must be age appropriate**, and no inappropriate movement / gestures are permitted (e.g. No explicit sexual or offensive movements).
- Dancers in Solo/Duo/TrioQuads are not permitted to use any tricks in the heats. **All tricks must be kept to the final**. “Trick” = anything construed as a gymnastic or acrobatic move, or where a dancer is not in full control of their body e.g. flips.
- **Breach of these rules will result in a warning or disqualification.**

REGISTRATION

INTERNATIONAL CHAMPIONSHIPS

For our International **Major Championships**, We want to provide Competitors the opportunity to Dance more than once & to be given another chance to perform to our Judges! After all, you have earned your place to be there!

This is why we have implemented a **PRELIM** System where Dancers / Duos / Teams etc get **TWO** opportunities to Dance to try and make it through to the next round.

This system Operates at all our **International Major Championships (Outside the UK)** including the UDO **World Championships**.

AGE CATEGORIES

	UNDER 8	UNDER 10	UNDER 12
UNDER 14	UNDER 16	UNDER 18	OVER 18

- Ages are based around the academic / sporting year, e.g. the age the dancer becomes during the school year (1st September to 31st August) will be the age that they compete in for the entire year. For example, if you turn 12 on 1st July 2018 then you must compete in Under 14 from 1st September 2018 until 31st August 2019. Dancers will be ranked with points throughout the year in their category.
- A minimum of 75% of the competing team must be within the age division they are competing in, with 25% permitted to be older. However, they can only be older up to the next age division. e.g. no over 18-year-olds can compete in the u14 team category.
- Once the year is complete (31st August) the Teams that have won with 5 or more teams in their category or Teams that have placed twice (from 2nd to 5th) with 8 or more teams in their category, will move up a category for the next UDO running Year.
- Once a team has moved up a category, they are not permitted to drop back down. For advanced, if teams have not been placed within 1 year they can send a request to the UDO committee for consideration.

ABILITY CATEGORIES

BEGINNER	NOVICE	INTERMEDIATE	ADVANCED
-----------------	---------------	---------------------	-----------------

Each category is open to:

- All teams that have never competed in a UDO Street Dance competition, but wish to compete at the stated level.
- Teams that currently dance at the stated level, and have never won (with 5 or more teams in the category) or been placed in the top 5 (with 8 or more teams in their category) or been placed in the top 7 in BDF or European Championships (with 8 or more teams in their category).
- Please note that for Beginner teams, no more than 50% of team dancers can be above Beginner / Novice level in solo or duos.
- If there are 8 teams or less in a category the UDO reserves the right to combine certain categories.

At Major Championships, there is an Ultimate Advanced Team Section. All Over 18 Advanced Teams will automatically go into this division. Younger Teams can choose to dance up in the Ultimate Advanced Team division to compete for the Prize Money. However, you can't compete in both & will be withdrawn from your original age division.

TEAMS

JUDGING CRITERIA

SCORING		MAXIMUM POINTS
<p>STREET DANCE TECHNIQUE Execution, performance and portrayal of Street Dance styles</p>	<p>We recognise 11 foundation styles of Street Dance: Hip Hop, House, Locking, Popping, Breaking, Vogue, Waacking, Krump, Dancehall, Litefeet & Afro. You will be marked based on the quality of your performance, portrayal and execution of the style techniques.</p> <p>The age category and division will also be taken into consideration. There are no numerical or time requirements for what you should show - it is entirely up to you.</p> <p>You do not have to perform styles in chunks as the judges will recognise legitimate Street Dance techniques wherever you decide to place them in your performance. Your score will take into account each style you perform (if you show more than one) so please bear in mind that quality, rather than quantity, should be the goal.</p>	10
<p>EXECUTION Choreographic Identity Crew Synchronicity Dynamics and Movement quality Use of Levels</p>	<p>This is where we assess the level of your crew skills and the execution of everything other than street dance technique.</p> <p>This means the choreography you decide to perform that doesn't necessarily include foundation technique, can score points for you based on the crew skills on show - synchronicity of the dancers in timing and shapes, use of different heights and levels, the quality of the movement on show and the use of different dynamics in your execution.</p> <p>We also encourage you to explore your choreographic identity - what moves, skills, ideas gives your crew its own identity? We want you to stand out for being you, not for trying to be like anyone else. We are trying to move away from the idea of a standard set and look forward to seeing what people will bring to their performances.</p>	10
<p>CREATIVITY Originality Concepts/themes Musicality Music choices</p>	<p>As well as wanting to focus on the quality of performances with this update of the criteria we are really looking to push your creativity.</p> <p>Whether that be with themes and concepts for your sets or originality in your movement or even in your song choices. All of these things will show up as creative, and some facets of your creativity will score you points in more than one criteria (i.e. a creative way of transitioning in your formations will get you points for creativity and stagecraft, well-executed originality in your moves will get you points in creativity and execution etc...).</p> <p>Another aspect of creativity we look for is musicality. Bringing the music to life in interesting ways will add to your performance through your utilisation of musical accents, rhythm and tempos.</p>	10
<p>PERFORMANCE SKILLS Confidence Focus Energy Projection</p>	<p>This is where we judge the level of your performance when you hit the floor.</p> <p>The confidence and focus on show during the performance. The projection of the movement to the audience and whether the energy can be felt beyond the stage. Even the commitment to characters if there is more of a narrative element to the performance. Basically, the way a crew brings life to their performance when they take to the stage.</p>	10
<p>STAGECRAFT Formations Transitions Positioning Use of the stage</p>	<p>This is where we can judge your utilisation of the stage space during the performance. The accuracy and alignment of your formations. The smoothness and flow of the transitions of the dancers on and around the stage. The positioning of the individual dancers to make the formations appear as they should. Even the use of the whole expanse of the stage. A mixture of these things can really add to a performance.</p>	10
<p>JUDGES OPINION</p>	<p>This is where we give our judges a chance to score the performance as a whole. It is not as quantifiable as the other criteria but rather it is based on the judges' individual feelings towards the performance, outside of the given criteria. We always have a diverse range of dance specialists represented on our judging panels so as choreographers your job is to try to appeal to the diverse range of judges we have!</p>	10

General Note

- Age and level will always be taken into account when scoring. The older and/or higher up the ability scale you go, the more we expect in terms of your execution
- The full scale of 0 - 10 will be used
- We encourage teams to do what they want to do and not just what they think will win.
- Self-expression, creativity and originality are key.

- Each team must have a minimum of 5 dancers with a recommended maximum of 40 Dancers. If you are concerned, please confirm and check the size of the stage of the event you wish to attend.
- Dancers are permitted to compete in the Team Category and the SuperCrew category at a UDO Event. However, routines must be different!
- If a team changes by over 50% during the competition year and you wish to be considered as a new team, please contact the UDO Head Office - hello@theudogroup.com. If you wish to change your team name, category age or division for any reason you will also need to contact the UDO Head Office.

SUPERCREW

JUDGING CRITERIA

SCORING		MAXIMUM POINTS
<p>STREET DANCE TECHNIQUE</p> <p>Execution Difficulty Authenticity of Choreography</p>	<p>Your choreography can take inspiration from the 11 foundation styles we recognise (see team rules) but shouldn't feel limited by them (just as it shouldn't in the teams category). In SuperCrew, we are giving more choreographic freedom by not marking purely on technique. Rather, we are marking your choices and execution of choreography.</p> <p>Your choreography should pull from street dance vocabularies, but it is up to you how you want to present it, and even build on it as part of your SuperCrew performance. Styles outside the 11 foundations are permissible as part of your creative input but please think about; 1) whether they genuinely add to the performance and 2) are suitable for a street dance competition (e.g. traditional native dances such as various African dances or Mambo could work, as they have had large influences on street dance, whereas ballet or technical jazz would not). Whatever the choices you make, please bear in mind that UDO is a street dance competition and the performance should reflect that.</p> <p>Your choreography must tell a story, or be based upon a clear, creative theme.</p> <p>Your score will reflect the difficulty and complexity of the choreography, and how well this choreography is executed by the SuperCrew.</p> <p>You must perform choreography in an authentic street style: the posture, attitude and energy should reflect strong hip hop influences.</p>	10
<p>CREATIVITY</p> <p>Originality Theme/narrative Concept Music</p>	<p>While focusing upon the strength of the choreography, creativity and originality is paramount to success at competition.</p> <p>Your theme should be original, and you should engage the audience in the story in a creative manner. The judges are looking for creativity in all areas of performance; choreography, theme, concept, song choice, transitions, stagecraft etc. Try and bring us a performance that hasn't been seen before.</p> <p>Musicality will be scored, so bringing the music to life in interesting ways through utilisation of musical accents, rhythm and tempos will gain points. Effective use of props can add to a SuperCrew performance, however please note that any props must be used to elevate a performance, and not be used as a gimmick. All props must be used appropriately and responsibly.</p> <p>Attire must be appropriate to the theme of the routine, but outfits must not detract from the SuperCrew routine. SuperCrews do not have to be dressed in the same outfit, or even wear similar clothes; individuality is encouraged. Theatrical costumes are not representative of the urban dance style and are not recommended. All outfits/costumes must be family friendly and appropriate to the ages of the SuperCrew dancer; if a dancer is dressed inappropriately, penalties will be incurred.</p>	10
<p>PERFORMANCE</p> <p>Timing Synchronisation Stage presence Confidence</p>	<p>This is where we judge the level of your overall performance as a SuperCrew. Judges will base this score upon the stage presence and confidence of the SuperCrew; engage the audience with showmanship and projection.</p> <p>Synchronisation is key to gaining top marks, as is execution of timing. The whole SuperCrew should remain on the correct beat at all times and remain in sync with one another throughout.</p> <p>The audience appeal will be considered in this score; dancers should commit entirely to the performance, remaining in character throughout and engaging the audience with strong energy.</p>	10
<p>Stagecraft</p> <p>Staging Spacing Formations Transitions Patterns</p>	<p>Here, the judges will consider the spatial awareness of the SuperCrew, and judge the way in which the overall routine is executed in the space. Dancers should utilise the space well, remaining in accurate, creative formations.</p> <p>The transitions must be smooth, with excellent flow; in a SuperCrew, this is vital to gaining high scores.</p> <p>Positioning and patterns will affect the score of this section, as the most successful SuperCrews will execute effective formations and shapes in the space provided.</p>	10
<p>JUDGES OPINION</p>	<p>This is where we give our judges a chance to score the performance as a whole. In the SuperCrew category, judges will be considering the entertainment value of the overall performance. It is not as quantifiable as the other criteria but rather it is based on the judges' individual feelings towards the performance. We always have a diverse range of dance specialists represented on our judging panels so as choreographers your job is to try to appeal to the diverse range of judges we have!</p>	10
